Brad,

If EIP is going to file a MTI we will need information for our none concurrence or an opposition motion. Ms. Greene stated that no action has been taken other than deferred maintenance for the past 6 years, then I think we need a list of all work that CRW has done since the CD was lodged on February 10, 2015. We can pull a lot of this from the draft CD and the CRW presentation we saw yesterday, but I think it would be best to get this information directly from CRW. Also, what other information will we need?

Ex. 5 Deliberative Process (DP). I am not a government lawyer, but I was not aware that the federal government enters into a Common interest agreement.

I appreciate all yours and Devon's hard work dealing with EIP.
